

The Silent Wounds of War

Invisible but devastating, traumatic brain injury and post-traumatic stress leave a tragic mark on our soldiers, our veterans, and members of our community.

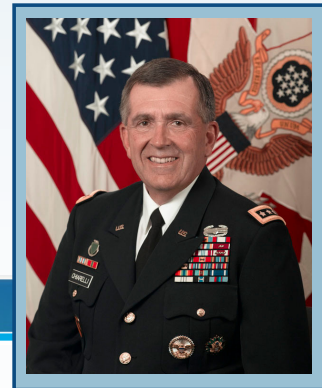

The University of Cincinnati College of Medicine • UC Health • Mayfield Clinic
Cincinnati Veterans Affairs Medical Center • Lindner Center of HOPE
United States Army Grassroots Community Advisory Board
Military Officers Association of America • Association of the U.S. Army
Kenwood Wealth Management, UBS Financial Services Inc.

Invite you to join

General Peter W. Chiarelli, U.S. Army (Retired),

*Former Vice Chief of Staff, U.S. Army, and current CEO, One Mind for Research,
and physicians & researchers from Greater Cincinnati to learn more about what we're doing
to address these injuries and the global mission of One Mind for Research.*
